SOUTHERN'S COMMITMENT TO STUDENT RIGHTS

SOUTHERN ADVENTIST UNIVERSITY
WILL PROTECT THE ACADEMIC, SPIRITUAL,
SOCIAL, PERSONAL, AND CORPORATE
RIGHTS OF OUR STUDENTS.

- ACADEMIC** Southern will provide substantive academic programs that are clearly communicated and are responsive to the educational needs and concerns of our students.
- SPIRITUAL** Southern will promote the spiritual development of our students through the values we espouse, programs we present, and individual nurturing we provide.
- SOCIAL** Southern will treat our students with dignity and cultivate an environment of respect for individuals, including privileges of expression and assembly in harmony with university standards.
- PERSONAL** Southern will provide our students opportunity for development of personal potential by articulating and practicing high standards of healthful living, wellness, and entertainment.
- CORPORATE** Southern will clearly communicate what is required for all members of the university community and will apply our regulations with fairness, timeliness, and confidentiality.

STUDENT COMMITMENT TO RESPONSIBLE CONDUCT
AS A STUDENT AT
SOUTHERN ADVENTIST UNIVERSITY
I WILL CONSISTENTLY COMMIT MYSELF TO
ACADEMIC, SPIRITUAL, SOCIAL, PERSONAL,
AND CORPORATE RESPONSIBILITY.

- ACADEMIC** I will follow directions in the university catalog and will apply my best effort to my academic program with inquisitiveness, propriety, honesty, and integrity. I will promote the same conduct among my peers.
- SPIRITUAL** I will honor the university mission of seeking and teaching truth as revealed by Jesus Christ in the Bible. I will balance work, study, and recreation with Sabbath rest and spiritual enrichment.
- SOCIAL** I will show respect for all members of the university community—their lives, property, and environment. This includes respect for diversity, ethical use of communication technologies, and community service.
- PERSONAL** I will develop high standards of personal health, wellness, and entertainment and will promote the same for other members of the university community. I will avoid alcohol, tobacco, improper drug use, and sex outside of marriage.
- CORPORATE** I will actively participate in the corporate life of the university, taking initiative to meet all of my duties under its regulations. This participation includes financial obligations, program and class attendance, appropriate dress and behavior, vehicle procedures, and fulfillment of my designated role as a member of this residential community.

Enrollment Services (Student Finance) processes financial aid information and sends an award letter notifying students of their eligibility. Once the aid is accepted and the student enrolls at Southern, the financial aid is credited to the student's account.

Students are encouraged to work with a student finance counselor to develop a financial budget to cover any remaining amount owed. Except for accounts paid in advance, students are billed monthly. Bills must be paid by the due date in order to continue enrollment at Southern and in order to continue receiving government or university financial assistance. Students or parents should contact Enrollment Services (Student Finance) if their financial situation changes.

The UHC provides medical services for primary and acute/sub-acute conditions, illnesses, and injuries rather than comprehensive medical care for major problems. Chronic health conditions may be managed by the student's primary care physician, and the UHC will work closely with the primary care physician while the student is at Southern. The UHC is available to make referrals to area health care providers. The UHC is open to all current students of Southern and dependents, ages 10 and above, if they are covered by the university student health insurance.

The UHC is located at 4687 University Drive on the right just past the student apartments. For after-hours care (evenings, nights, weekends):

1. Check the Student's Self-Care website (southern.edu/universityhealth/Documents/studentselfcareguide.pdf) first for your particular problem and follow guidelines.
2. **Emergencies** - For any perceived life- or limb-threatening emergency, on or off campus, emergency services should be activated by calling 911. Emergency care should **NEVER** be delayed due to being able to reach the UHC or the on-call nurse.
3. Area hospitals have emergency room services available 24 hours a day, 7 days a week.

Medical Charges: All charges incurred at the UHC are applied to the student's account. The UHC will submit claims for those with Southern's student insurance. The insurance reimbursement is posted on the student's account when it is received. The UHC is unable to process claims for students with private insurance, so students should plan to file their own insurance. A walk-out statement summarizing fees for services provided is available by request.

Medical information is strictly confidential and may be released only with the written permission of the student. The medical record is not accessible to anyone other than the professional staff of the UHC.

The UHC retains medical records for 10 years after a student's last attendance at the university. Immunization records are kept indefinitely. To request copies of medical and/or immunization records, please submit a written request with name, date of birth, last year attended, what records are needed, phone number, fax number, the name of the person receiving information, and your signature.

WORSHIP OPPORTUNITIES

Evensong. Evensong is a worship service held each Sabbath in the Collegedale Church, beginning about 20 minutes before sundown.

Vespers. Each Friday evening while school is in session, a vespers program is organized from the Chaplain's Office and Campus Ministries. The program is usually held in the Collegedale Church but may convene at different locations throughout the year. Vespers is a special time when the university family gathers to sing, share, pray, and worship. The vespers service, while offering a variety of programs, remains a consistently anticipated spiritual event on campus.

WRITING CENTER

McKee Library, Lower Level, 236.2384, southern.edu/writingcenter

The Writing Center offers free writing assistance for any assignment in any class. The tutors help students develop skills needed to become confident, competent writers. Graduate students may sign up for one 60-minute one-on-one session per day. Walk-ins are accepted based on availability in the schedule.

Students may seek assistance at any stage of the writing process—from brainstorming to the final draft. Tutors are trained to help with essay writing, research papers, documentation, résumés, and grammar.

To best use Writing Center services, students should schedule appointments several days before their assignments are due, arrive on time to their sessions, bring printed copies of their assignments, and be ready to ask specific questions in order to progress as writers.

POLICIES AND PROCEDURES

ACADEMIC POLICIES

Students should familiarize themselves with their particular programs of study as outlined in the *Undergraduate Catalog*.

ALCOHOL, TOBACCO AND ILLICIT DRUG USE

Southern strives to maintain a safe and healthful environment for its students and employees. One way the university does this is by enforcing a drug-free lifestyle for employees and students. Therefore, manufacturing, distributing, possessing, and using tobacco, alcohol, and illicit drugs is strictly prohibited. This restriction includes the serving of alcohol, a fact which should be taken into consideration when seeking employment.

Illicit drugs include opium derivatives, hallucinogens (such as marijuana, mescaline, peyote, LSD, psilocybin), cocaine, amphetamines, codeine, heroin, methamphetamines, morphine, and other drugs prohibited by law. This definition does not include lawfully prescribed drugs that are being taken under a physician's direction.

By enrolling at Southern, all students agree to submit to drug testing. If the vice president for Student Services and a residence hall dean have reasonable suspicion or evidence of drug use, they may require a student to submit to chemical screening. The student is obligated to pay the expenses of the C.A.D.A.S. assessment and any mandated screening. Students and employees who violate this policy can expect disciplinary action—up to and including immediate discharge for an

employee and permanent dismissal for a student. In addition, all employees and students are subject to applicable federal, state, and local laws. A student convicted in a court of law of a drug violation may lose eligibility for federal financial aid.

Further information can be obtained from the *Substance Abuse Policy* booklet available in the Student Services office.

ASSAULT

Assault of any kind is not tolerated. Students involved in assaulting behaviors and actions are subject to disciplinary actions and legal proceedings if charges are filed. See *Sexual Assault and Harassment* in the Services section for more information.

ATHLETICS

southern.edu/intramurals

Southern provides organized sports activities through the intramural program administered by the School of Physical Education, Health, and Wellness. The program is committed to excellence and offers activities that foster a positive, safe, and active social and moral environment. The goal of the intramural recreation program is to provide a wide variety of positive experiences for as many students as possible.

Participation in intramurals is open to:

1. Undergraduate students (enrolled on campus for more than 6 credit hours) and spouses.
2. Graduate students (enrolled on campus for more than 3 credit hours) and spouses.
3. Full-time employees of Southern and spouses.
4. Full-time employees of the Greater Collegedale School System and Collegedale Church and spouses.

In order to protect the physical well-being of students and the liability of the university, Southern prohibits participation in sports with excessive physical contact, such as tackle football.

Southern does not sponsor or participate in athletic competition with other educational institutions or churches.

AUTOMOBILES AND MOTORCYCLES
southern.edu/campussafety

Operating a motorized vehicle on university property is a privilege, not a right. Automobiles, motorcycles, and other motorized vehicles driven or parked on university property by current students must be registered with the university and be in compliance with the university vehicle code. Vehicle registration is good for one semester and vehicles must be re-registered for each semester or summer session. Campus Safety is responsible for parking enforcement. Free parking permits are available for visitors. Contact Campus Safety for information on vehicle registration and vehicle operation on university property.

BICYCLES

Bicycles should be ridden in a safe and courteous manner at all times. Trick riding, towing, riding with a passenger, riding on stairs, in buildings or any other deemed unsafe activity to rider or pedestrian is prohibited. Bicycles should be parked and locked in appropriate bicycle parking racks and not attached to handrails, light poles, sign posts, or parked in locations that will limit or delay pedestrian traffic or emergency exit from a building or area.

It is strongly recommended that bicycles be registered with the university through one of the residence halls. Campus Safety is responsible for monitoring and enforcing bicycle safety. Abandoned or confiscated bicycles that are not claimed after 90 days are disposed according to statutes in state law.

BUILDING ACCESS

Buildings are locked and unlocked according to university set schedules. Students and visitors are to immediately leave a building at closing time. A current university faculty or staff member must accompany a student in a locked building.

BULLETIN BOARDS

Bulletin board material must be approved and stamped by Student Services prior to posting. Inappropriate bulletin board material will be removed by Student Services personnel.

CAMPING

Students who wish to leave campus for weekend camping trips must submit a request through the regular weekend-leave process. The following guidelines must be verified: specific identification of camping site, approved adult sponsor to accompany mixed-gender groups, and separate sleeping arrangements for each gender. Campus organizations and non-residence hall students are expected to follow these guidelines. Camping on the Biology Trail and White Oak Mountain is prohibited.

CELL PHONES AND MOBILE DEVICES

Cell phones and mobile device must be silenced and off during classes, Convocations, concerts, worship services, in the library, and in designated study areas. Text messaging is inappropriate in public meetings. During testing, use of any electronic device not approved by the professor is considered cheating. In areas of personal privacy, electronic devices with cameras must be out of sight with the camera off. These areas include but are not limited to restrooms, locker rooms, and showers.

CLASS VISITATION

Classes at Southern are open to registered students only. Information disseminated in the classroom or other places of learning is the primary product that the university sells; hence, visitors may not enter such gatherings unless they are official guests with legitimate business in a classroom or have the permission of the instructor. Visitors who attend classes may not engage in the discussions unless invited to do so.

CLASSROOM CONDUCT

Professors and the institution reserve the right to remove students from classes if their behavior threatens the purposes of the class by exceeding the bounds of normal academic freedom. Professors conducting extension classes from other institutions on the Southern campus share the rights spelled out by this policy.

CLERY ACT

Southern complies with the federal CLERY requirements for reporting and maintaining public record of reported crimes. A daily crime log, monthly crime statistics, an Annual Security Report, and other required safety information is available upon request at Campus Safety.

COMMUNICABLE DISEASE POLICY

The university is committed to acting with Christian compassion toward anyone with a communicable disease. Southern is also committed to protecting the members of its community from exposure to communicable diseases. The university's position is that practicing universal

contamination precautions and abstaining from intravenous drug use and from sexual relations outside of marriage are the most effective ways to avoid exposure to communicable diseases. A plan with detailed procedures to accomplish these goals has been officially established and is published in the university's *Policy and Procedures Manual* and is also on file in the office of the vice president for Student Services.

COMMUNICATION

Students are expected to communicate when contacted by university administrators. A student who refuses to respond may be subject to suspension.

CRIME ON CAMPUS

Campus Safety, 236.2100, southern.edu/campussafety

Emergencies and life threatening situations should be reported to 911 immediately. Crimes, criminal type activities, and life safety problems should be reported to Campus Safety. The United States Department of Education and the State of Tennessee, Tennessee Bureau of Investigation, require colleges and universities to process crime statistics on the following: murder, rape, robbery, aggravated assault, burglary, motor vehicle theft, liquor violations, drugs, weapons, arson, larceny, and hate crimes. Crime statistics or additional information regarding safety is available at Campus Safety during regular business hours or on Campus Safety's website. Campus Safety is available for assistance and service 24 hours a day, seven days a week.

CROSSWALKS

Pedestrians crossing the streets on campus should cross at the designated crosswalks. Tennessee law requires drivers to yield the right-of-way to pedestrians in crosswalks. However, no pedestrian shall suddenly leave a curb or another place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield. If the pedestrian does not allow reasonable time and distance for the driver to stop, the driver has the right-of-way.

CURFEW

Residence hall lobbies are closed at 11 p.m. Sunday-Friday, and at 12:45 a.m. on Saturday. Campus curfew is midnight. The campus is closed between midnight and 5 a.m. During this time, the walking/running track and the tennis courts may be used for their intended purpose with the provision that a valid university Campus Card be shown if requested by the Campus Safety officer on duty. Loitering on campus after buildings close is prohibited. Residence hall students will be asked to return to their residence. The Student Park closes at sundown unless prior arrangements have been made through Conference Services and Events. Ropes courses and Biology Trails are closed at sundown.

DISABILITY SUPPORT SERVICES (DSS)
Lynn Wood Hall, suite 137, 236.2574,
southern.edu/disabilitysupport

Students with disabilities should contact Disability Support Services (DSS) when they decide to attend Southern. Upon arrival on campus, they should immediately arrange an appointment for a confidential discussion of their situation, whether or not they intend to request accommodations. (Students who request accommodations after the third week of the semester might not complete the process in time to receive accommodations for that semester.) Legally, no retroactive accommodations can be provided.

Southern is in compliance with Section 504 of the Rehabilitation Act (1973) and is dedicated to the elimination of architectural and prejudicial barriers that prevent any qualified person from attending. Toward that end, Southern has established the DSS to assist in advocating for reasonable accommodations that help ensure equal access to course content and evaluation. However, the university does not assume responsibility for providing accommodations or special services to students who have not voluntarily (and confidentially) identified themselves as having a qualifying disability or to those who have not provided DSS with appropriate documentation of their disabilities.

DISCIPLINE

All major academic and non-academic disciplinary procedures are under the direction of the vice president for Academic Administration and the vice president for Student Services, respectively.

If suspension is a possibility, the student meets with the vice president for Student Services and other appropriate university officials. A decision regarding the appropriate disciplinary action is made. The student accepts this decision or has the right to appeal to the Discipline Review Committee within 48 hours of notification. The vice president for Student Services has the prerogative to refer any case to the Discipline Review Committee. This committee includes the director of Student Life and Activities, chair, dean of men, dean of women, two faculty selected by University Senate, and one faculty selected by the committee chair from a list of three provided by the student.

The university discipline process is separate from any criminal procedures. Discipline decisions may rely in part on information received from civil authorities but are not dependent on any civil or criminal proceedings.

DISTRIBUTION OF INFORMATION

Anyone who desires to distribute information via pamphlet or papers on Southern's campus must receive permission from the Administrative Council through Students Services.

FIRE ALARM

When a fire alarm sounds, everyone in the building must exit and go to the assembly area designated on each building's evacuation signs. Make sure you stay outside the collapse zone of the building. Collapse zone is 1 ½ times the height of the building. The porch is NOT outside of the collapse zone. If the alarm or emergency personnel give other instructions follow those instructions.

Firearms and guns (including but not limited to bullet, pellet, BB, and paintball), bows and arrows, blowpipes, knives (or any edged weapon over three inches from bezel to tip), nunchucks, throwing stars, brass knuckles, and any other type of weapon prohibited by law are not allowed on campus. Violators are subject to fines, disciplinary actions (including suspension), and arrest on local, state, and federal charges.

FUNDRAISING

Fundraising by student organizations requires approval by the Student Activities Committee. Soliciting an amount exceeding \$500 requires approval by the Fundraising Committee. For further information, contact the director of Student Life and Activities. Approval must be received before any fundraising activities begin. Hazing by organizations or individuals is forbidden. Any student who plans or engages in hazing or commits any act with intent to degrade, embarrass, or injure a fellow student is subject to discipline, including dismissal.

HEALTH SERVICES/CHARGES

southern.edu/health

Charges incurred at the University Health Center (UHC) are posted to the student account. The UHC will submit claims for those with Southern's student insurance. The insurance reimbursement is posted on the student's account when it is received. The UHC is unable to process claims for students with private insurance, so students should plan to file their own insurance. A walk-out statement summarizing fees for services provided is available by request.

INTELLECTUAL PROPERTY POLICY

Southern Adventist University recognizes that research and creative activities are integral functions of a university. The University encourages such activities by the faculty, staff and students, and recognizes its responsibility to see that creative and scholarly works are administered for the best interest of all parties concerned, including the public.

Southern affirms that the creator of intellectual property should have maximum freedom with respect to the creation consistent with obligations to Southern and other legal entities as established by the Faculty Affairs Committee. All intellectual property produced at Southern by faculty, staff, or students is covered by this policy. Intellectual property shall consist of, for example and without limitation: inventions, creative works, patentable subject matter, teaching resources, copy-

rightable materials, audiovisual materials, photographs, software, trade secrets and trademarks. No intellectual property is specifically excluded.

UNIVERSITY OWNERSHIP

When intellectual property, such as works, inventions, developments, or discoveries, is created with substantial use of University facilities, whether provided by external support or not, the University will originally retain the rights to the property, provided that it desires to commercially develop the property or to make it available to the public. If, however, the University elects not to commercially develop said property or fails to show diligence in such development, the ownership rights to that property may be acquired by the creator.

If the creator develops an intellectual property with substantial use of University facilities, she or he must make full and fair disclosure to the University of all such sources of compensation relating to that intellectual property.

WAIVER OF UNIVERSITY RIGHTS

- 1. Time for Review:** Before the creation of any work of intellectual property using substantial University resources, the creator(s) shall notify the office of the Vice President of Academic Administration. Inventors and authors shall receive the written decision of the University's intention to pursue or release rights of ownership within 45 days of the date of the formal submission to the office of the vice president of Academic Administration.
- 2. Release of Invention to Inventor(s):** The University may determine that an invention will not be patented, and will not be licensed or otherwise commercialized by the University. In those cases, the vice president for Academic Administration will cause ownership rights to be waived by the University.
- 3. Use of Revenue:** Funds received by the University from the sale of intellectual property owned by the University shall be allocated and expended as determined solely by the University.

LIBRARY**236.2788, southern.edu/library**

McKee Library policies are available from the library and online. Consideration is expected for the library facility, resources, other patrons, and library staff.

LOCKDOWN

If there is an imminent threat to student or employee safety, the university may lockdown the campus or portions of it. If a lockdown is announced, get into or stay in a lockable room. Stay away from windows and doors. Once the door is locked, do not open it for anyone. Wait for the all clear from emergency personnel or the alarm system.

LOST AND FOUND**Campus Safety, 236.2100, southern.edu/campussafety**

Campus Safety maintains a lost-and-found system for cataloging, storing, and disposing of items found on campus. To search online for a missing item, visit southern.edu/campussafety, click "Lost and Found," and follow instructions.

To claim or report a missing item, visit Campus Safety at 5061 Industrial Drive during business hours, or call 423.236.2100. Be prepared to provide detailed information and identification when claiming an item.

Campus Safety holds items for 180 days before disposing of them in accordance with Tennessee law.

MEDIA TECHNOLOGY

Because media technology has the potential to hinder learning and motivation, Southern has established policies and practices regarding its use.

Students are expected to choose media content by applying Biblical standards; what is true, honest, just, pure, and brings honor to God and His creation.

Student choices that have a negative impact on their own or another student's grades and/or spirituality may result in fines and/or confiscation of equipment. Media use should not disturb neighboring rooms in residence halls or cause a distraction in common areas on campus. A television viewing room is available in each residence hall. Residence hall deans are responsible for programming these sets. In addition, two large screens are located in the student center under the supervision of the Student Life and Activities director.

Students are expected to honor provisions in the Acceptable Use Policy, which they signed through Information Systems when receiving a southern.edu email account and access to the Southern network. Violations of these standards may result in university disciplinary action and criminal charges through the courts.

MEDICAL EMERGENCIES ON CAMPUS

236.2100 or 911

Southern Adventist University has an open medical services system, meaning any person can activate the emergency medical system by calling 911 or Campus Safety.

Situations that would definitely call for emergency medical services (EMS) would include:

1. Any life threatening situation
2. Loss of consciousness
3. Difficulty breathing
4. Chest pain
5. Uncontrolled bleeding
6. Seizures
7. Detached body parts
8. Severe / uncontrollable pain
9. Visible deformity

Because every situation is different and dynamic, every situation calls for decision making that is beyond the scope of this policy. If in doubt, call.

Calling 911 or having an ambulance on scene does not mean the patient must be transported by ambulance. A conscious, coherent, competent adult can refuse service and assume responsibility for their medical outcome.

MOVIES/VIDEOS/DVDS

The Film Subcommittee must approve in advance any feature-length films to be shown on campus or during any university-related function. Current copyright laws prohibit universities and suborganizations from publicly showing movies that are intended for private use. Requests for the showing of films should be directed to the chair of the Film Subcommittee.

Academic departments/schools and residence halls may approve films for specific non-academic use. In such cases the chair/dean plus one or more additional departmental faculty must participate in the approval process. Prior to the approval process, the department/school must contact the chair of the Film Subcommittee, who will provide film approval criteria.

MUSIC STANDARDS

Music performed or reproduced anywhere on campus is expected to be in harmony with standards of good taste applicable to the occasion and in keeping with the ideals of spiritual commitment and personal relationship with God. To assist with the responsibility, a screening committee is appointed by the University Senate each year to screen student programs before they are presented. Student groups should contact the chair of the Screening Committee three weeks before their scheduled performance so that the committee can be called for the screening. Failure to have a program properly screened may cause cancellation of the program.

**NONDISCRIMINATION**

In compliance with all applicable federal and state regulations, the university does not discriminate on the basis of race, color, gender, ethnic or national origin, disability, or age.

PARKING

See the *Automobiles and Motorcycles* heading.

PERSONAL IDENTIFICATION

Students are to present proper identification when requested to do so by administrators, faculty, and staff.

PETS

Pets are not allowed in any university buildings, including residence halls and student family housing. Students living in campus housing are fined \$200 if pets, excluding fish, are found in their rooms or apartments.

PROTECTION OF PERSONAL PROPERTY

Southern is not responsible for damaged, stolen, or missing personal property. Students should lock their rooms or apartments, vehicles, and bicycles and should store and lock personal items in an appropriate place.

Missing items should be reported to Campus Safety, with a description and serial number if applicable.

Students are encouraged to purchase insurance to cover lost or damaged items.

PUBLIC DISPLAY OF AFFECTION

Students are expected to conduct themselves with discretion and in a manner that will not embarrass other people.

QUESTIONNAIRES, SURVEYS, AND RESEARCH

Proposed student research must undergo a review process prior to research activity. This includes questionnaires or surveys by student organizations as well as research for class assignments. Further information and the required approval forms may be obtained from the vice president for Academic Administration or vice president for Student Services.

RECORDING

The use of electronic devices as a tool for learning is highly encouraged as long as permission has been granted by those being recorded prior to recording. If the content is to be broadcast or published, documented consent must be secured from the instructor.

REGISTRATION

Students register for classes online at *southern.edu/register*. Help with academic questions is available by calling 423.236.2899; for technical support, call 888.309.2471. Students must register for course work no later than the second week of the semester.

ROOFS

Any individual who is on the roof of a university building without authorization will be fined \$200. This constitutes trespassing and can also result in civil charges.

SABBATH OBSERVANCE

The Sabbath is God's time for people to meet with Him in an atmosphere free from non-spiritual distractions. To facilitate this, the university gives primary attention to worship, rest, and Christian fellowship and service from Friday sundown until Saturday sundown. Students are expected to relate to the university in a manner that recognizes these values.

SELLING

Sales people and buyers are not allowed to solicit on Southern's general campus, including the student center. Exceptions to this policy for the residence halls must be approved by the head dean in consultation with the vice president for Student Services.

SEVERE WEATHER

If the outdoor tornado siren or indoor warning systems sound, seek shelter immediately—severe weather is imminent. Follow the instructions of the announcement or emergency personnel. Familiarize yourself with shelter locations in the buildings you use.

SEXUAL ASSAULT AND HARASSMENT

Southern offers support for any student subject to sexual assault harassment. Assault is a crime and should be reported to one or more of the following immediately:

1. Local law enforcement, 911
2. Campus Safety, 236.2100
3. Residence hall deans

If you are a victim of sexual assault:

1. Go to a safe place.
2. Report the assault immediately to local law enforcement, Campus Safety, or residence hall deans.

3. Do not shower or change clothing, as this may destroy vital evidence.
4. Call a close friend who can come to your location and offer you support.

The following university and local resources are available:

1. Campus Safety, 423.236.2100
2. University Health Services, 423.236.2713
3. Counseling and Testing Services, 423.236.2782
4. Chaplain's Office, 423.236.2786

6. Sexual Assault Crisis Center, 423.755.2700

SEXUAL CONDUCT

Southern Adventist University welcomes all students into a safe and supportive environment in which to discuss and learn about a variety of issues, including those of human sexuality. The university affirms the Biblical understanding of sexuality as a gift from God. Southern promotes purity in singleness and fidelity in marriage, which it believes was divinely established in Eden and affirmed by Jesus to be a lifelong union between a man and a woman in living companionship. Departures from this norm include both heterosexual sex outside of marriage and homosexual behavior.

Southern prescribes Biblical standards of personal conduct. The university does not condone non-marital heterosexual conduct or homosexual conduct or the encouragement or advocacy of any form of sexual behavior that would be contrary to the Seventh-day Adventist beliefs or the faith mission of the university. This statement is based on the official statement of the Seventh-day Adventist Church adventist.org/beliefs/statements.

The university encourages students struggling with these issues to avail themselves of opportunities for serious, confidential discussion and support through Counseling Services (423.236.2782) or the Chaplain's Office (423.236.2787).

SKATEBOARDING AND SKATING

Roller skating, inline skating, skate boarding, and longboarding have a risk of injury or damage. Consequently, the rider performs this activity at his or her own risk. The university assumes no liability or responsibility for injuries received while riding on university property. Administrative sanctions and/or disciplinary action may be taken toward a person who violates or disregards this policy.

Riders are to abide by the following:

1. Wearing a helmet is required. Wrist guards, elbow pads, and kneed pads are recommended.
2. No riding on the Promenade.
3. Provide right of way to pedestrians.

4. Stop at all pedestrian roadway crossing, check for cross traffic, and proceed with crossing only when it is safe to do so.
5. No riding on road, driveways, parking lots, the running/walking track, or in areas where vehicles are normally driven and operated.
6. No riding inside buildings.
7. No riding, jumping, or sliding on stairs, railings, curb edges, benches, walls, or trick riding.
8. No hanging onto or being pulled by any moving motorized or pedaled vehicle.

STANDARDS OF BEHAVIOR

Students are expected to establish a Christian lifestyle that fosters maximum spiritual, mental, physical, and social growth. Such a lifestyle will include engaging in prayer, Bible study, and Christian-service activities; practicing good study habits; selecting a balanced and nutritious diet and scheduling adequate periods of rest; participating in wholesome recreational and leisure-time activities; and relating responsibly and respectfully to other persons. Behaviors that do not promote such a lifestyle and are expressly prohibited include the use of alcoholic beverages, tobacco and illicit drugs; gambling; dancing; improper sexual behavior, including homosexual behavior; and attendance at entertainments that are spiritually or morally destructive. It is not considered appropriate for students of the opposite gender who are not married to each other to spend the night together. Students engaging in such behavior are subject to discipline.

STUDENT RECORDS

Records pertaining to student life are maintained in the Student Services office. Documents of a general nature and of discipline resulting in a fine or citizenship probation are kept for a minimum of four years from the date a student last attended Southern. Documents of discipline resulting in suspension are kept for seven years from the date a student last attended Southern. In certain cases, such as official banning from campus, documents are kept indefinitely. Copies of relevant letters from other departments are kept for four years.

SUICIDE AND SELF-HARM

Any student who attempts suicide, displays behavior that could lead to such an act, or demonstrates a tendency toward self-harm will be placed on an open-ended medical leave of absence. Continuation as a student will occur only after the student has presented documentation of an approved therapy program, applicable releases, and a written commitment to avoid harmful behavior.

THEFT

Protection against stealing is a serious challenge for an institution in which hundreds of people reside close to each other in a relatively open manner. Students should take precautions to protect personal belongings. The act of individuals taking, without permission, any item they do not own is regarded as stealing. Students who are involved in theft are subject to prosecution and suspension or dismissal.

TITLE IX

In compliance with Title IX of the U.S. Higher Education Amendments (1972) Southern does not discriminate on the basis of gender. The director of Student Life and Activities, in Student Services is the Title IX officer. Student grievances under the Title IX should be presented to the director of Student Life and Activities, who will either resolve the grievance or present it to the Student Services Committee for resolution. The director of Human Resources is the designated Title IX officer for non-student employees.

TOBACCO

Although tobacco is not an illicit drug, nicotine has addictive properties and is responsible for a variety of health-related problems. It is Southern's policy to remain a safe and healthful environment. Possession, use, or distribution of tobacco products by Southern students is strictly prohibited. Violation is grounds for disciplinary action up to and including dismissal.
