SINCE LAST NOVEMBER

Reseating Campaign: The reseating of the Lynn Wood chapel, to match the refurbishing and enlargement, is an accomplished fact, thanks to alumni, teachers, and students who helped. Much credit is due to the Student Association. The entire project represents an expenditure of $30,000, $5,000 being donated by alumni, teachers, students, and their friends.

Baskets for the Poor: 73 baskets, valued at about $10 each, were distributed by the Dorcas Society and the college Junior class at Thanksgiving and Christmas. The response was fervent.

Clothing to the Kentucky Flood Area: This community in cooperation with the Wildwood and Chattanooga churches, sent to the above area more than 75 boxes of clothing.

Enrollment Second Semester: The enrollment this year at the beginning of the second semester was ten per cent higher than at the same time last year, and the attendance 36 higher. The present enrollment is above five hundred on the college level.

Senior Presentation: On February 1, forty-five prospective graduates of the class to be graduated in May and August, were presented.

Field Visitation: Commencing with spring vacation, many churches will be visited by groups from five to forty-two persons, including gymnasts, musicians, lecturers, and student speakers.

Personnel Changes: Paul Hoar has been appointed principal of Collegedale Academy in place of W. B. Higgins, who has accepted a call to act as assistant manager of Union College; Milo Hill, acting chairman of the Fine Arts Division in place of A. R. M. Lauritzen, who signed. Norman L. Krogstad, resigned for graduate study. Edgar Grundset has been added the staff of the Science Division to teach biology.

A NEW SMC
DEAN RAY A. UNDERHILL.

To each alumnus and former student, we wish to extend a cordial invitation to visit SMC this coming school year. Students and faculty change, new buildings are erected, yet it is still your college. You will be interested in the new twenty-year plan for campus improvement; which will include new dormitories, a church, an auditorium, a home economics-cafeteria-student union building, and an elementary school. This overall plan by architects was approved by the college board two months ago.

This new plan, dear alumni and former students, will need our fullest support to build a larger and better SMC to be of wider service to the youth of the Southern Union.

We will have an envious record this year with regard to our faculty. All the teachers with one exception will have either their M.A. or Ph.D. degree. Our faculty is one of whom we may well be proud.

The new members joining the music staff are Professor Milo Hill, Professor Burton L. Jackson, and Mrs. Dorothy E. Ackerman. Miss Thelma Hemme will be joining the Home Economics department. Professor J. M. Ackerman will become our secretary of admissions, and will direct our testing program. Edgar O. Grundset will be assistant professor of biology.

Applications for the fall term number approximately 550. We are, therefore, looking forward to a good year at SMC.

Remember, we will welcome your return to the college of your choice, Southern Missionary College.

A Word From Our New V. P.
R. C. MIZELLE ’50

Were you present at our first Homecoming? I am sure that those of you who improved this opportunity to renew old acquaintances, tread the hallowed halls of the main building, sit in the "soft" seats of the renovated chapel, and walk again over the campus of your alma mater found much to remember and inspire you for the years to come. It was a signal pleasure to see all of you again, and to fill in the news gaps between your graduation and today. Now that you have made a start, won't you make the homecoming an annual pilgrimage?

Featured and honored at our first homecoming were the missionaries who left these doors for areas of service afar. A "book of remembrance" was prepared, and presented by the association to the college to provide for a permanent recording of mission service by our alumni.

J. Franklin Ashlock, ’25, soon to return to India, began the round of activities as guest speaker Friday evening. His wife, Marcella Klock Ashlock, ’46, gave us a thrilling mission report at Sabbath School the next day. In the afternoon, we were treated to a program of Sabbath music by the college music groups under the direction of John Thurber, ’56. As the sun sank in the west, a special worship was conducted for our visiting alumni in the cafeteria, followed by refreshments provided by our alma mater, and a social. The week end closed with a presentation of the combined bands of Colledale, under the baton of Norman Krogstad.

Won't you make a decided effort to be with us at our next Homecoming this coming April 4 and 5? It will do your heart good, and make us all very, very happy. We will be looking for you!

SIGN’S OF LIFE ABOUT THE CAMPUS

King’s Bakery is now a gleaming reality, and is located at the very entrance to the college campus. This huge building occupies thirty thousand square feet, but more interesting than its size is the fact that it will provide work, aside from its permanent staff of nearly one hundred, for approximately sixty students, about the same number employed at the late College Woodproducts. The transfer of the business from Chattanooga is imminent.

The new and severely modern Colledale Elementary school building, located at the junction of the Apison pike and Camp Road, is being raced to completion for the beginning of the school year. Besides six classrooms, it will contain quarters for the principal as well as for the chairman of the Division of Education, Psychology, and Health. The total cost of this new addition to the campus is around one hundred thousand dollars, seventy of which will be the responsibility of the local constituency, the other thirty being absorbed by the

SIGNS OF LIFE
(Continued from page 1)
Union and the Georgia-Cumberland Conference.

New additions to the teaching staff are: J. M. Ackerman, secretary of admissions; Dorothy Evans-Ackerman, assistant professor of music; Milo Hill, chairman of the Division of Fine Arts, in place of Adrian Lauritzen, resigned; Burton Jackson, in place of Norma Krogstad, resigned; Thelma Hemme, instructor in clothing, in the Home Economics Department; Edgar O. Grundset, assistant professor of biology.

Thirty-nine of the most promising young people in our history received their degrees on May 26, and seven more on August 10, numbering fifty-five in all, our largest class since 1953.

The speakers at the May commencement gave a good account of themselves. Commencing with Glenn Coon on Friday night, continuing with A. C. Fearing at baccalaureate hour on Sabbath morning, and finishing with Richard Hammill on commencement morning, the messages were all inspiring. Thirty-two of the graduates as early as May had already been placed or their future arranged for, and, at this writing almost all of the remainder are either continuing their studies or are placed, for the most part in our own denominational employ.

Edward C. Banks, '31, popular chairman of the Division of Religion and Theology, supported by a corps of ministerial student assistants held an effort this summer at St. Matthews, a suburb of Louisville. He reports the baptism of fourteen candidates, and the birth of a new church at that place. This is part of the ministerial training work given at SMC.

President T. W. Walters, Manager L. N. Holm, and Board Chairman Don Rees, attended the quadrennial meeting of board chairmen, college presidents, and business managers, held at Canadian Union College, Lacombe, Alberta, Canada. This meeting was attended by President Figuhr and Secretaries of Education Cossentine and Hammill of the General Conference, from July 16-19.

At this writing — August 7 — five hundred forty-six applicants for college work next year have been accepted, which is about twenty-three behind last year at this time. However, this is compensated for by the fact that known cancellations are fewer this year than last.

On the week end of August 9 and 10 was held the graduation of summer school candidates for degrees. Six received their degrees. The exercises were in charge of three great lovers of the youth, L. J. Leiske, president of the Alabama-Mississippi Conference, for the Friday night consecration service; Ward A Scriven, educational secretary of the Florida Conference, for the baccalaureate sermon on Sabbath morning; and H. V. Reed, pastor of the Miami Temple church, for the commencement address on Saturday night. In the absence of the president, the academic dean, Doctor R. A. Underhill, conferred the degrees.

It has been voted by our Board to inaugurate a fifty-year plan for the completion of the college plant, which envisages the expenditure during the ensuing twenty years of from three to four million dollars. Before 1960, it is definitely in the cards to construct a Home Economics-Cafeteria-Student Union building, at a cost of $175,000, and a women’s residence hall to house two hundred fifty young women, at a cost of $400,000.

Before the close of 1957 there will have been expended for plant expansion this year $250,000, including a bakery, an elementary school, and an addition to Collegedale Cabinets.

ALUMNI ASSOCIATION

ELECTION

At the close of the Homecoming Week in May, the alumni present gathered for their annual meeting at the dessert supper given by the college in their honor. The votes which had been sent in were counted, and those present who had not voted were permitted to express their choice of officers for the ensuing term of one year. The following were elected:

President:  Ted N. Graves, ’54
Vice-president: R. C. Mizelle, ’50
Treasurer: Bruce Ringer, ’53
Secretary: Mabel Wood
Assistant Secretary: Frances Andrews, ’50

Members at large:
John Goodbrad, ’38
H. B. Lundquist

YOUR HELP IS NEEDED! The secretary, Mabel Wood, has requested that in view of the fact that it is the plan of your Alma Mater to supply every alumnus and alumna with the SMC ALUMNI BULLETIN free, that you keep in touch with her when you change your occupation, or address, or both. Do the same for any other alumni you may know of. Thus the association may be able to function smoothly, as one big, happy family.
A Challenge...

T. W. WALTERS, SMC President

A young minister had just settled in his first pastorate in Philadelphia, when he was visited one evening by one of the laymen of the church. The man said to him: "You do not seem to be a strong preacher. In the usual order of things you will fail here, but a little group of us have agreed to gather every Sunday morning to pray for you."

The young man saw that group of people grow to be more than one thousand persons, all praying weekly for their pastor. He was J. Wilbur Chapman, who grew to become one of the greatest preachers America has ever known.

This story illustrates the situation in the experience of most people—we succeed to a large extent through the prayers, cooperation, and support of others. There is no adequate substitute. And while this is true in the lives of individuals, it is even more necessary in the life and growth of an institution.

Southern Missionary College has become what it is through your prayers and your deeds. It cannot live without the support of those it seeks to serve. Just as comparatively weak people succeed when they are supported by the strength of many hands, so may your college endure and increase through the loyalty of its sons and daughters. We urge you to pray for us, boost SMC and perhaps remember her regularly with a sacrificial gift. The needs of a private college are tremendous and the existence of all such schools is threatened in today's society.

A dedicated faculty is making an immeasurable contribution. A former Tennessee state commissioner of education who visited our campus was amazed at the quality of the well trained staff and expressed himself to this effect: "The highest ratio of highly trained teachers in any college or university in Tennessee is found on the campus of Southern Missionary College." He noted that such a situation could be explained only because of personal dedication to the job.

Dedication is rewarding and you may wish to dedicate a sum each month to the welfare of your alma mater. Many youth need a little boost. The Alumni Student Aid Fund is going well in some local chapters. If you do not belong to a chapter of the alumni association you may wish to send a contribution to the executive secretary of the organization, Elder H. B. Lundquist, Southern Missionary College, Colledale, Tennessee.

Not only do many hands make light work but also they immeasurably strengthen. Talk, pray, and give for SMC—the college for Southern Youth.

HOMECOMING

R. C. MIZELLE, Association President

And the thoughts that come to us as we weigh that word, what nostalgic memories flood the meadow of our minds—Homecoming—coming home—back to Southern Missionary College, our educational mother!

Won't it be wonderful, sitting in the Tabernacle Auditorium again, listening to Elder K. A. Wright, the man who guided many of us and our college through so many years, trying years, as we sought accreditation? Can we ever forget the "down-to-earth" ways of his ministry?—NEVER! Remember how he said "Think it through" so many times, as he sought to have each of us become aware of our responsibilities to God, to each other, to our School and to our parents.

Remember that first graduating class as a senior college? We'll have an opportunity to hear another message of challenge from Joe Crews, '46, who has returned from Asia and is now ministering in Texas.

Then, too, we'll hear once again the melodious renditions of our College Choir, the inspiring music of the College Band, and observe the agility of our acrobats on mat, trampoline, and bar. Along with this we'll have ample opportunity to renew old acquaintances, talk over the "old-times," and become inspired all over again to live another year for the Master.

Are you coming? Surely, you are—and we're so glad!
