ENGAGE MINISTRIES

ENGAGING GOD IN WORSHIP | ENGAGING THE CHURCH IN FELLOWSHIP
The student-led Engage Ministries team at Southern Adventist University provides praise and worship services at churches, academies, and youth events throughout the Southern Union and beyond. Hand-picked, talented volunteers who have a passion for making music and sharing with young people are available to travel to your location.

Striving first and foremost to reflect Jesus, the team brings the worship and social experiences from Southern’s campus to church communities. While building relationships with families and local church leaders, Engage Ministries provides a direct connection to the university and the benefits of Adventist higher education.

Schedule any of the following for your programming needs:

- Student and faculty speakers
- Worship teams and music performances
- Small group, leadership, and worship seminars
- Campus organizations (based on availability)
- Outreach and community service coordination

Engage Ministries looks forward to praising God and worshiping with you!
