Notes from Our Chapters

The Collegedale chapter met on January 11, under the leadership of Don West, '49, in the cafeteria. Before settling down for the business, all were served hot chocolate and cookies, which was a treat on the cold evening.

Doctor Rees, president of the College, told us that the four basic reasons for the existence of Southern Missionary College were for the spiritual, social, cultural, and scholastic benefit of the students, and pointed out ways in which the Administration was striving to develop all four of these objectives. He also stimulated our thinking by giving us the high points of the overall plan for the expansion of the institution. He closed by suggesting that we as alumni may invest in the future of students, so that they in turn may help us as we grow older.

The officers elected for the ensuing term were, Dr. Chalmer Chastain, vice-president; Mrs. Bobra Barrington, secretary; Mr. C. A. Woolsey, treasurer; Joann Ausherman, public relations secretary. The office of president was left vacant until another meeting of the chapter.

The following were present at this important and pleasurable gathering: Lorene Ausherman, '53; Frances Andrews, '49; Anne Maxwell Burchard, '55; Mildred Baldwin, '58; J. R. Conger, '19; and his wife, '54; Don Crook, '53; H. B. Lundquist; R. C. Mizelle, '50; Virginia Patrick, '42; Harry Hulsey, '53; Bill Hulsey, '55; Dr. C. N. Rees; Bruce Ringer, '53; William H. Taylor; Maurice Urick, '56; Mabel Wood; C. A. Woolsey, '23.

* There is a meeting of the Nashville chapter scheduled for the week-end of February 27, 28, and also one for the Highland chapter at the same time. We would like to pay a tribute to these two important chapters. We trust that God may continue to bless them.

* In March there is to be a meeting of the Washington chapter under the presidency of Billy Mack Read, with the concurrence of President C. N. Rees.

* In March there will be a meeting of the very important Atlanta chapter under the inspired leadership of Dr. Joe Cruise. Doctor C. N. Rees will also be with them. This meeting will follow the MV meeting on Sabbath afternoon in the Kirkwood church, on March 28.

* April 19 there will be a meeting of the Orlando chapter at our Forest Lake Academy, on the evening of Sunday.

* On April 22, under the leadership of C. O. Franz, there will be held a meeting of the South Florida chapter in the Temple church of Miami after prayer meeting on the evening of Wednesday, April 22. Doctor Rees will also attend this meeting.

* On May 7, at our Fletcher Academy,

Fletcher, N. C., there will be held a meeting of the Western Carolina chapter, under the leadership of Dr. Louis Waller.

* Remember that there is nothing more interesting to report than the meetings of chapters. Please remember your editor when you have a meeting, with names and graduation years, where possible, of guests; lists of present officers; and also names of new officers, with their addresses.

While on this subject, let us suggest that there is no recipe for success more potent than this: Nothing succeeds like success. It has a way of snowballing, and carrying all before it. You surely want a successful chapter in your part of the world, don't you?

A few suggestions might be in place. Anything that approaches the ideal is going to cost somebody a little effort. To make your chapter a success means that you or someone else must pay the price of success, and it is about the same in any enterprise: blood, sweat, and tears.

Your alma mater needs you desperately right now. Won't you bestir the alumni near you, and plan a way to do something in a big way. Remember, that we here at Collegedale are ready to help in any way within our power; but we can do nothing without your help. Let your officers know if there is anything we can do to help.

CHANGE OF HOMECOMING DATE

In order that the alumni may visit the campus at a time which does not have so many other conflicting events, it was voted by the executive committee to postpone the date for Homecoming from the usual time in the spring to the fall, and combine it with Founders' Day. The tentative date set for our next Homecoming is October 16-18. Please take note of the change and make definite plans to attend this great event.

Welcome to Homecoming!

By C. N. REES, *President, SMC*

For both Mrs. Rees and me and our son it is a pleasure to be identified with SMC and her enthusiastic and capable alumni and their alma mater. Her beautiful rural setting is worthy of the best college in the denomination which she may become with your help.

We are proud of you and your achievements, and are anxious to become better acquainted with you, the sons and daughters of former years. We are determined, with God's help and your cooperation, to place SMC at the forefront, not only spiritually, socially and scholastically, but to make

it a college equal to any, and with a physical plant in keeping.

We are soon to have an opportunity to meet you personally at the annual Homecoming. We trust that by holding it at the most attractive time of year, that you will be enabled to attend this year. I, personally, shall be happy to make your acquaintance, and this occasion will be a good time to do so.

A hearty Southern welcome awaits you at Alma Mater, October 16 and 17. So "come on down to Collegedale," if not then, any other time you find it convenient.

Homecoming Extraordinary

By H. B. LUNDQUIST, *Executive Secretary*

SMC homecoming is extraordinary this year because it combines this event with Founders' Day, that day forty-three years ago when the founding fathers of SMC found their way to this campus and, by great faith and even greater efforts, made the beginning which has now produced an institution serving nearly a thousand of the Adventist youth from the first to the sixteenth grade, and which is now valued at two and a half million dollars.

October 16 and 17 is the time for this event. Dean Walter B. Clark, of the College of Medical Evangelists, and graduate of the College in 1927, will be the speaker on Sabbath morning. An equally attractive person will be in charge of the Friday evening consecration hour. The names of recent alumni who have gone to serve Christ in overseas divisions will be honored.

Also, the classes of 1933, 1934, 1948, and 1949, in a special way, will be honored. Those who belong to these classes should by no means fail to be present.

The program for the occasion will include a sacred musical concert, a dessert supper given by the administration, a business session, and last, but not least, a special program.

Plan now to come, and be sure to let us know ahead of time if you will be needing accommodations. These will be secured at a nominal rate. Also indicate whether or not you will need to have meals served, and which, as well as the number in your party.

A royal welcome awaits one and all, of all classes from the beginning, and whether or not you have been graduated. Send us the information called for above by September 30.

Chapter Doings

Spring is a time of activity, and in the world of alumni members, there is no exception to the rule. Doctor C. N. Rees, president of SMC, visited a large number of the chapters of the Association located in the union. He shows a big interest in everything that has to do with progress, and wherever he has gone, alumni have listened to his plans for the future of Alma Mater with rapt interest.

Nashville started off with a wonderful chapter meeting held on the last day of February. Of this meeting, the outgoing public relations secretary, Mrs. Paul Eldridge, writes as follows:

"Rain fell abundantly over the Nashville area on Sabbath afternoon, February 28, but lowering skies did not prevent thirty members of the chapter from gathering for a vesper service at the SPA chapel.

"Charles Porter led the group in song, reminiscent of many similar vesper hours bringing to a close the Sabbath at SMC. James Joiner, chapter president, announced the opening hymn, and the meeting was under way. How blessed is the privilege of joining in singing 'Sweet hour of prayer, that calls me from a world of care!' H. B. Lundquist, executive secretary of the association, offered the opening prayer.

"Dr. C. N. Rees, president of SMC, gave an inspiring talk entitled 'Windows of Gold.' Do you have good health? Do you have enough for your daily necessities? Do you have the respect of your fellowmen? Do you have the peace of God in your heart? If you have these, you have everything. You truly have 'windows of gold' in your life.

"A vocal solo was rendered by Pat Hoover Jones. Her song, 'Some Day,' directed our thoughts to the day when the shadows will be erased, and we can enjoy cloudless days in God's kingdom.

"A business meeting followed a brief intermission in which President Rees talked about the future of Alma Mater, showing plans for the future development of the college plant. The following officers were elected for the ensuing term:

Lloyd Mauldin, '42, president
James Joiner, '53, vice-president
Mary Bryant Morsette, secretary-treasurer
Joe Malmede, publicity secretary.

"Those present included: Kay Ritchie, '47; Max Ritchie, '47; Mary Morsette; William E. Jones, '52; Lynn Sauls, '56; Helen Sauls, '52; Elaine Eldridge, '26; Lloyd W. Mauldin, '42; Gladys Lambert Curtis; Linda Leyva; John T. Durichek, '58; Helen Case Durichek, '58; LaVanne Hazelton, '28; James Joiner, '53; Mabel Mitchell Joiner, '53; Charles Porter."

* Grace Byram, '52, publicity secretary of the Highland, Tennessee, chapter, gives us the following report of the meeting of their chapter on the same evening:

"On February 28, Dr. C. N. Rees, president of SMC, and H. B. Lundquist, executive secretary of the Association, were on our campus at Highland for the purpose of meeting with the Highland chapter, and to help us select officers for the ensuing term. The meeting opened at 9:30 P.M., Reuben A. Lopez, '52, presiding. Members present were:

"Reuben A. Lopez, '52; Gerald Dunham, '32; Jerry Medanich, '54; Grace Lyon Byram, '52; Carl Brown, '55; A. D. McKee, '30; and Delpha Weir Lopez, '54.

"The group acted as a nominating committee to select officers for the next year, and those elected were the following:

Paul Haynes, '50, president
Mrs. Paul Haynes, secretary
Gerald O. Dunham, '32, treasurer
Dorothy Wilson Lundquist, public relations."

* Clyde Brooks, new president of the Atlanta chapter, sends us the following interesting report of the spring meeting of that chapter:

"On the evening of March 28, approximately twenty-five members of the Atlanta chapter of the SMC Alumni Association met at the Kirkwood church. Dr. Joe Cruise, president of the chapter, introduced the president of SMC, Dr. C. N. Rees, after which Dr. Rees presented some interesting items about the plans for the expansion of the college plant as well as other items of interest concerning the life of the Collegedale community. At the close, an election resulted in the selection of the following officers to serve this chapter for the ensuing year:

Clyde Brooks, '52, president
Wallace Blair, '53, vice-president
Mary Ellen Carden Byrd, secretary-treasurer
Carol Smith Palsgrove, '56, publicity secretary.

"Refreshments were served in an atmosphere of warmth and friendship following the meeting.

"The following were present at this meeting: Wallace Blair, '53; Art Butterfield, '54; Clyde F. Brooks, '51; Louise Brooks, '48; Ruth Seale Cray, S.T.C.; Joe Cruise, '36; Laura Hancock Dupper; William C. Dupper; Aubrey H. Liles, '49; Barbara C. Liles, '49; Nelda Mitchell, '50; Pastor and Mrs. R. W. Numbers; Johnnie E. Palsgrove, '56; Carol Smith Palsgrove, '56; Clifford A. Reeves; B. F. Summerour; Gradye Brooke Summerour, '08; Jean Wingate Schill, '25; Yvonne Castillo Tindall, '55; Monte Tindall, '56; Pastor and Mrs. O. D. Wright."

* Burton Wright, '51, loyal son and supporter of Alma Mater, writes concerning the election of officers for the ensuing year at the Central Florida chapter, with headquarters at Orlando. This meeting was held on the evening of April 19, in the Academy library. Present to represent the college were President C. N. Rees and William

H. Taylor, dean of student affairs. A very pleasant occasion was reported in which a few more than twenty participated. Burton writes:

"I know that you will be happy to know that our Central Florida alumni chapter will be functioning soon. Our nominating committee has selected our new officers who will be as follows:

President—John Garner, '53
Secretary—Helen Hoover Burtnett, '52
Treasurer—Relious L. Walden, '53.

"Among those present at the chapter meeting were the following:

"Robert G. Swofford, '48; Mr., '51, and Mrs. F. M. Miller; Gene F. Cherry, Dr., '54, and Mrs. Edwin Olsen; Donna Olsen; Dr. and Mrs. C. N. Rees; Mrs. Betty Anderson; Larry Blackwell; William H. Taylor; J. Don Crook, '53; Richard Larsen; Lane Schmidt; James Rhodes; Burton, '51, and Myrna Wright; Mr. and Mrs. Edwin Olsen."

* Clyde O. Franz, '32, president of the South Florida chapter, sends us the following information regarding the meeting of their chapter, held on the evening of April 22:

"The college quartet sang several numbers to open the meeting. Following this, Dr. C. N. Rees and W. H. Taylor told of the advancement which the college is experiencing, and showed the plans for the proposed new buildings that are to be erected in the future.

"All were happy for the wonderful report of the student teams working in Operation Fireside, and for the news of worthy students that were helped by the alumni.

"Mr. Taylor dismissed the meeting with prayer.

"Officers for the ensuing year are as follows:

President—David Kribs
Vice-president—Howard Kennedy
Secretary-treasurer—Anne Lowe
Publicity secretary—V. W. Schoen

"The following members of this chapter were present:

Lois Mae Clark Franz, '34; Clyde O. Franz, '32; Mrs. Luta Hudson; Howard Kennedy, '57; Mrs. Howard Kennedy; David Kribs, '52; Novella Williams; Mrs. V. W. Schoen; Carol Jean Whidden, M.D., '54; and other friends.

* From Mrs. D. C. Ludington, old-time resident of Collegedale, and now publicity secretary of the Southern California chapter, comes the following enthralling report of our largest chapter:

"The week end of April 25 will long be a memorable date, for at that time 175 of SMC's sons and daughters met to hold the spring meeting of the Southern California chapter at Idlewild, under the expert direction of Dale Fisher, '51, president. The catering service for the occasion was provided by La Sierra College. The program commenced Friday evening with an inspiring picture entitled: 'The Front Page Bible.'

"Sabbath morning, after a refreshing sleep, Sabbath school was conducted by Bob Bowers, '57. The mountains rang as our voices were lifted in praise, led by

Retiring President Dale Fisher of the Southern California chapter.

Wilton Wynn, with Joya Lynn, '57, at the piano. A quartet composed of Wilton Wynn, Ted Dortch, Malcolm Crofoot, and Lowell Smith, '36, favored us with two numbers. The Scripture reading was given by Jim Alexander, '55, and the mission talk by LaVerne Fuller, '50, returned missionary from India. The lesson study was under the direction of Elder U. D. Bowers, father of Bob. The school was closed by a vocal solo by Sherman Cross.

"The Scripture reading for the eleven o'clock service was given by Charles Moore, '57, and afterward we were treated to a vocal solo by Kathryn Glattho, the hymn, 'How Great Thou Art.' William Palmer, D.D.S., was the speaker of the hour. He showed us from the Bible that true religion changes men, but God never changes. A sextette favored us with a special vocal number, composed of Duane Stier, '57, Glenn Herbert, Ted Dortch, Sherman Cross, Wilton Wynn, and Lowell Smith, '36. The meeting was dismissed by a Collegedale resident, Prof. Don Ludington.

"The officers elected for the ensuing year were the following:

President—Bob Bowers, '57
Vice-president—Sherman Cross
Secretary—Kathryn Wooley, '55
Treasurer—Paul Allen, '58
Publicity secretary—Mrs. D. C. Ludington
Assistant publicity secretary and photographer—Gerald Mitchell, D.D.S.

"The Saturday night program was a movie, 'Her Twelve Men.' Jack Facundus, '53, who is president of the 1959 medical class, gave an original reading which was highly amusing. I understand we have six SMC students graduating from medicine at CME this spring, seven from dentistry, besides several young women from Loma Linda school of nursing."

This fall this progressive chapter will meet at Cedar Falls. Mrs. Ludington informs us, and it is hoped to have a 100% attendance at that meeting.

Jack Facundus, '53, at the Southern California chapter meeting.

* President Frank McMillan of the Central Carolina chapter writes:

"Wednesday evening, May 6, brought to the Central Carolina chapter the president of SMC, Dr. C. N. Rees, and also the executive secretary of the Association, H. B. Lundquist. Elder Lundquist reported the progress and success of the Alumni Student Loan Fund, and Dr. Rees presented the plan of campus development. Much enthusiasm was caused by the announcement by the President that the first changes would begin at once. A social meeting of the chapter is planned for this summer.

"The following members were present: Henry Carubba; John M. Jansen, '27; Frank McMillan, '55; Robert Northrop, '53; LaVerne Northrop; S. W. Neece; and L. H. Pitton."

* Mrs. LaSina Harrison Rilea, efficient secretary of the Western Carolina chapter, sends us the minutes of their meeting held on May 7, at Fletcher Academy:

"Dr. C. N. Rees, president of SMC, presented to us some of the projects now being carried on at SMC. We were also privileged to be the first ones to see the finished plans for the new Collegedale campus.

"Officers for the ensuing year are:
President—L. C. Waller, M.D., '39
Vice-president—Ferdie Wuttke, '55

"Members present at this meeting were: Mr. and Mrs. J. E. Bagwell; Mrs. Joe Butterfield; J. Arthur Byrd; Mrs. Margaret Drake; Joe Gardner, '51; Mrs. Joe Gardner; Avolt Just, '50; Mrs. Avolt Just; James Lynn, '57; Mrs. James Lynn; Van McGlawn, '52; June Loach McGlawn, '49; P. J. Vol. IX SMC Alumni Bulletin No. 6

Published quarterly by Southern Missionary College, Collegedale, Tennessee. Entered as second class matter February 12, 1951, at Collegedale, Tennessee, under act of Congress, August 12, 1912.

Editor H. B. Lundquist

A Challenge . . .

By J. DON CROOK, *President*
SMC Alumni Association

GREETINGS to all from the peaceful little valley of Collegedale. As I am writing, the sun's first rays are peering over the ridge beyond the rock quarry and revealing the glories of fall. Mother nature with her paint brush must have gone her limit this year to bring out unusual colors.

It is a privilege to be associated with the College in the training of young people for the finishing of God's work. After five years in evangelistic work, it is thrilling to come back to the College and see its growth, and to find students attending school whom we have known before as the result of an evangelistic effort.

There are many young people in the Southern Union who are not attending here. Oh, that it were possible for every young person to have the privilege of a Christian education! Certainly we, as former students, can do much to advertise the College, and to encourage young people to attend. If you enjoyed your stay at SMC, tell others about it, for you are its best advertisement.

Have you heard of the Alumni Student Loan Fund? What an opportunity! It has been said that true happiness comes not from gathering things of this world, but from giving or sharing our blessings with others. Just stop and think for a moment. Suppose you help to make it possible for some worthy student to complete his education; he graduates, goes out into the work of God, and uses his talents to lead many to a knowledge of God's truth. In the day of final awards, who will receive the greatest? Dear friend, I believe that we shall share alike.

There is a text that says: Trust in the Lord with all thine heart, and lean not to thine own understanding. Wouldn't it be wonderful if we would do just that? We have a lot of confidence in things worldly. We throw a switch without checking to see if the power company's generators are humming. We step on the starter,

never wondering if there is juice in the battery or gas in the tank. We put our money in worldly banks, but distrust the bank of heaven. May God give each of us an active faith in Him.

WE DARE NOT FAINT
"Our work is solemn,
Therefore, we dare not trifle.
Our task is difficult,
Therefore, we dare not relax.
Our opportunities are brief,
Therefore, we dare not delay.
Our path is narrow,
Therefore, we dare not wander.
Our prize will be glorious,
Therefore, we dare not faint."

Best wishes to all wherever you are. I trust that we all may gain the complete victory over sin, and be faithful until Jesus comes. Then we may say, "Lo, this is our God: we have waited for Him, and He will save us."

Homecoming 1959 -- A Retrospect

Of course, we are speaking of the greatest Homecoming SMC has ever experienced. They began arriving on campus as early as Thursday evening, graduates, former students, wives and husbands of alumni, and in some cases, children of alumni, and they brought back with them a breath of the olden days. October 16 and 17 will remain in alumni records, red-letter days.

The outgoing executive officers deserve special mention for the thorough way in which every detail of the great event was planned and checked over a period of many months. These officers were:

- Ellsworth McKee, '54 Pres.
- Harry Hulsey, '53 Vice-pres.
- Mabel Wood, Sec.
- Bruce Ringer, '53 Treas.
- Lorene Ausherman, '53 Asst. Sec.
- J. W. Henson, '54 Member at Large
- John Goodbrad, '38 Member at Large
- H. B. Lundquist Executive Sec.

The president-elect, Don Crook, '53, had charge of the song service at the first public service on Friday evening, the welcome was spoken by the executive secretary, the invocation was offered by Carroll Ford, '38, the pres-

entation of the Book of Memories was under the charge of William Tol, '51, the speaker was introduced by Harry Hulsey, '53, and Frank McMillan, '55, pronounced the benediction. Donald W. Hunter, at present president of the Ohio Conference, and on two occasions a missionary to the Southern Asia Division, of the class of 1925, was the speaker for the occasion. His stirring address 'Minutes to Midnight' will be found elsewhere in this number.

Sabbath morning was a bright, unusually beautiful day. In the Tabernacle division of Sabbath school, the following alumni took prominent parts: Clyde Brooks, '48; Clifford Ludington, '41; Betty Ludington, '54; Bill Hulsey, '55; H. E. Baasch, '53; Carol Jean Whidden, '54; and Chalmer Chastain, '44. While this Sabbath school was being conducted to a capacity house, another one, the Chapel Sabbath school, enjoyed the services of other alumni, among them William Tol, '51.

On the platform to assist in the service at the eleven o'clock hour, aside from the speaker chosen for the oc-
