McKee Minute revised to offer increased usability and functionality

In order to better serve the faculty and students of Southern Adventist University, McKee Minute has undergone a dramatic layout and content revision. It is our hope that this revision will improve usability and functionality of the newsletter.

Books, Media, & Periodicals
Each newsletter will feature a selection of books and media recommended by your librarians. Readers can click on the book, periodical, or DVD image for more information on the item.

Direct Distribution
Faculty will now receive the newsletter in a personalized departmental email.

Academic Department Highlight
Each edition will spotlight an academic department on campus. By highlighting a specific department, readers will learn more about the resources and services available in their area of interest and scholarship.

D.I.Y. Library Student Newsletter
Starting in August, students will have access to D.I.Y. Library, a monthly student-focused newsletter. It is our hope that this newsletter will help deliver important library information to students.

Contact Jessica Spears, McKee Minute editor, at jspears@southern.edu with questions.

Search Everything tool, library instruction, requests, and social media

Search Everything with EDS
The library is proud to announce a new search tool, available now on the library’s website. Hosted by EBSCO, this discovery service allows faculty and students to search all of McKee Library holdings, as well as collections available outside our library.

Instruction & Embedded Services
Interested in scheduling an instruction session for your fall course? Want to learn more about the embedded librarian service? Check out the Instruction at McKee Library research guide for more information.

Requests for New Items
Wish the library had a certain book, film, or periodical? Make your request now! Please send requests for books to Jennifer at jlhuck@southern.edu, films to Stan at scottrell@southern.edu, and periodicals to Deyse at dbravo@southern.edu.

Prior to sending requests, please ensure that the item is not currently held in the library collection.

Air Conditioning Maintenance
The library is currently undergoing some much-needed maintenance on our air conditioning system. There will be periodic times of noise and portions of the parking lot are closed. We apologize for any inconvenience.
