## President's Message to the Graduates

Our childlike notions of the world around us, and its processes, change as we mature. We begin to see them as important, even crucial. We see the need to be involved ourselves. I encourage you as your future beckons: Get involved in church life, in family life, in business, in education, and in your chosen profession. Take charge of your world—make it what it ought to be. Live a good life morally, ethically, and spiritually. Shape your graduation day's golden promise into a better world. My colleagues and I congratulate you! Please remember, *we care about your future.*

A handwritten signature in black ink, appearing to read "Donald R. Schlegel". The signature is written in a cursive style with a large, sweeping initial "D".

**HYMN OF WORSHIP**  
**Baccalaureate Service**

Praise to the Lord, the Almighty, the King of creation!  
 O my soul, praise Him, for He is thy health and salvation!  
 All ye who hear, Now to His temple draw near;  
 Join ye in glad adoration!

Praise to the Lord, who o'er all things so wondrously reigneth,  
 Shieldeth thee under His wings, yea, so gently sustaineth!  
 Hast thou not seen How thy desires e'er have been  
 Granted in what He ordaineth?

Praise to the Lord, who doth prosper thy work and defend thee;  
 Surely His goodness and mercy here daily attend thee.  
 Ponder anew What the Almighty can do  
 If with His love He befriend thee.

**Special Programs**

A dedication service for graduating elementary and secondary teachers and psychology majors will be held Sabbath afternoon, May 4, at 4:00 p.m. in the Collegedale Church. The speaker is Dr. Kay Kuzma, Speaker and Director of Family Matters.

The Nursing Department invites you to attend the Senior Nurses' Dedication on Sabbath evening, May 4, at 7:30 p.m. in the Collegedale Church. The speaker is Dr. Derek Morris, Professor of Religion at Southern College.

**Photographs of Graduates**

Please do not crowd or block the graduates in an attempt to photograph them as they march down the aisle.

To enable all students to have a photograph of their graduation, we have made arrangements with Chappell Studio for a professional photographer to record the moment each graduate receives his/her diploma. Several weeks after graduation a 5 x 7 photo will be sent to the students in care of their parent's home address as a **gift** from the college.

Before the free photo is mailed, a passport-sized, full-color proof will be sent so the family has an opportunity to purchase extra pictures. There is no obligation to buy, but the option of ordering several enlargement packages at very reasonable prices is available.

## The Mace

The mace is a traditional symbol used to communicate and designate authority. With echoes of historical use as a weapon of offense against armored knights, the academic mace represents education's ability to break through ignorance and prejudice.

The Southern College mace was crafted in 1986 by John Duricheck, an alumnus who is now associate professor of computer science and technology at his alma mater.

The mace was designed to represent Southern's heritage and its *raison d'être*. The base is of pine from Jones Hall, built in 1917 and razed in 1985. The main staff is of walnut. The seven rings represent completeness. The four-sided segment is seen as Southern's underlying educational philosophy — balanced mental, spiritual, physical, and social development for each student.

Bearing the mace and leading the procession is the grand marshal, Katie Lamb, associate professor of nursing. Her regalia is of green trimmed in white, the college colors.
