Dear Ex-Creekers,

Strains of Pomp and Circumstance fill the air, strawberry shortcake fills the tummy, so we don't have to be told the time of year.

The Fall Creek trip was dampened with drizzle the first day, but Tuesday was lovely and we could see the "pure, blue sky" as we sang Green Cathedral at Piney Falls. We found the cabin where we stayed on the very first trip. I remember the rain, getting there in the dark (no electricity then), eating tomato soup heated by the fireplace and strawberry shortcake, hunting Darrell Jones '45 who had to stop his homemade motor scooter in the rain as it had no lights, and the thrill of hearing our motor cycle and side car backfiring through the park some time after midnight. The next day dawned bright and clear. But from then on my mind is a blank. Would like to hear from some of you who went. I wish I had kept a diary of these trips.

April 30--This was a big week-end. Graduation at Southern College. Sabbath evening was especially exciting for us as our granddaughter Cynthia '81 received her A.S. in Nursing. Debbie (Straw '77) Tait brought our great-grandson from Texas so all the family were together for this big event. Another bonus was seeing Elder and Mrs. Tetz--what fun!

After the service on Sunday morning, someone said to me "Little Creek did pretty well to have 50% of the highest honors." But the best part of it was to know they plan to use their talents for the Lord. Such a fine group, we were happy to be there.

May 27-29 the weatherman smiled on us and the campus lawns and flower beds were at their best from previous rain as the seniors and their families enjoyed the sunshine. Everyone appreciated the new lawn chairs and Sunday evening we used them for a pea shelling party.

The class gift was presented to the two deans: a set of Bible Commentaries for each dormitory. This was a much needed addition--one that future students will really appreciate. Thank you seniors.

One of your former classmates who graduated from Laurelbrook the same day sent a message we forgot to read to you. We'll print it here.

"Dear Seniors,

Hope you are all ready for your graduation. Wish I could be there but it seems that I have some prior engagements. I know you will do well--after all you are in my class--please write me!

As you all go your separate ways remember what has been done for you at Little Creek; Remember also what you, as a Christian, stand for. Don't live/work for yourself to get a nice home and a good job; believe me, those things are great but they shouldn't take the 1st place in your lives.

'I will pass this way but once', any good thing therefore that I can do or any kindness that I can show to any human being, let me do it now, let me not defer nor neglect it for I shall never pass this way again.' Make that your motto.

Love,
Trey"

May 8 was a big day. Seven of the Handbell Choir traveled to Cookeville to play for Mike Boyd's '79 wedding. Leland played two violin numbers. The weather was not too favorable for an outdoor wedding; but the rain kindly remained in the clouds. The groom and groomsmen arrived on horseback, the bridesmaids by farm wagon and the bride in a horse drawn buggy, the driver with top hat and all the trimmings. This really was a "first" for us. Mike and Cindy stopped by to see us on their way home from honeymooning in the Smokies.

Carroll Wheeler '76, Karen Peck '82, Kevin '79 and Terryn (Kurzynske '79) Shaw and Sidney '78 and Linda (Van Arsdell '78) Whiting have just returned from a trip to Russia and Romania with the Southern College Orchestra. They needed some special entertainment while there so tuned up some bottles and performed. I never dreamed my former freshmen would ever achieve such fame!

I'm sorry for such a mixed up letter - but there are some excuses. Mrs. Courtney caught her hand in the bread mixer so I have been trying to help there. We hope there will be no permanent injury to her hand. I'll try to do better next time -

Much love to you all,

Alice and Leland Straw

P.S. Ken Shaw says to tell you that the chair project is finished. We surely do appreciate them. You can believe they got plenty of use graduation week-end. Thanks so much.
