COMMENCEMENT

# President's Message To The Graduates

LEADERS must see clearer, broader, and farther than those they lead. As a graduate of Southern College, you are challenged to be better than better,

. . . to take the very best from your years here at Southern

. . . to maintain high standards of life and living

. . . to address the current needs of the world you live in

. . . to be of service to those around you

. . . to build with vision, perseverance, faith, and belief in who and Whose you are.

It is by using your knowledge and faith that you will be able to capture the best of the past and put it together with your vision of the future, enabling you to transform the world of today.

May God richly bless your future.
