Those who knew James Lamar Cooper, '23 will be sorry to learn of his death, April 29, in Harrisville, Mississippi. We regret that we do not have an obituary for him at this time.

ELDER W. B. HIGGINS

Elder W. B. Higgins was born May 14, 1899 in Brentwood, N. H., and passed to his rest May 19, 1968 at a Chattanooga hospital. He graduated from EMC and received an M.A. degree from Maryland University.

He entered the service of his Master in 1923 as dean of men and teacher at Union Springs Academy. After two years in this capacity, he was married to Ruth Garber.

The next four years they served at AUC where Brother Higgins was dean of men and teacher, and was ordained to the Gospel ministry.

In 1929 they responded to a call to Africa where he was principal of Solusi Missionary College until 1946.

I remember in the Carolina Conference, with 4,500 members, the budget was $720,000 a year back in 1964. We need a new electric mimeograph machine, new typewriters, things that seem small yet loom large to us. The work presses forward in spite of difficulties. Please remember us in your prayers."

KEPLINGER SPEAKS  
(Continued from page 1)
formal attitude of the Sabbath afternoon meeting and the reflections on what graduates have done since their graduation gave a reaffirmation to the feeling that the alumni have for SMC.

Lynn Sauls, retiring president, conducted the business meeting that followed the alumni supper in the tabernacle. Willard Clapp, ’66, president of the Collegedale Chapter, was host for the meeting, and he and his officers, along with faculty members provided the food for the alumni guests. Wallace Blair, ’53, president-elect, thanked the outgoing officers for the service they gave.

The fellowship of this buffet supper was appreciated because graduates had an opportunity to see and visit with friends they had not seen for many years. It seems likely that this type of gathering for the supper and the business meeting will set a precedent that the alumni will long enjoy.

Business at the meeting included the ratification of the new constitution.

Retiring president, Lynn Sauls, installed the new officers with Wallace Blair, ’53, as president. Other officers include Glenn McCollin, ’57, Vice President, Doris Crandell, ’65, secretary; Helen Sauls, ’63, assistant secretary; Ellsworth McKee, ’54, treasurer; Sylvia Crook, ’68, publicity secretary.

After the buffet supper, the alumni visited the new Women’s Residence Hall, named Thatcher Hall after the Thatcher family from whom much of the College property was purchased. Old timers will remember the “Yellow House” down by the railroad, which was the Thatcher plantation home. The alumni visited the lobbies and worship room of Thatcher Hall, and saw many of the rooms.

SMC Names Buildings

An assemblage of SMC's 1000 plus students in addition to faculty, the Board of Trustees, Committee of 100, and special out-of-town guests gathered Feb. 6 in the College gymnasium for a special Plaque Presentation Ceremony. This was the occasion for the official naming of three buildings in tribute to individuals especially associated with the College through its early years and during its transitional period from junior college to senior status.

The new $1,350,000 women's residence hall was named for James and Grace Thatcher whose estate became the basic college campus and their home became the original women's residence hall.

Grace Thatcher, now widowed and 94 years old, is ill and was not able to attend the ceremony. Her son Jason, also of Chattanooga, in responding to the tribute for her, said, "It is indeed an honor for the entire Thatcher family for the Board of Trustees to see fit to name this building Thatcher Hall."

The plaque for Talge Hall, (the men's new million-dollar residence) reads, "Named for John H. Talge whose generosity spurred the early growth of the College." President Schneider, in paying tribute to this man, told how Mr. Talge, owner of the Talge Mahogany Company in Indianapolis, was known for his generous gifts during the early days of the College. He donated all the furniture, flooring and bathroom fixtures for the first constructed women's dormitory and all the furnishings for the first men's residence hall. He also supplied $1,300 for laundry equipment, helped purchase a piece of land, and supplied part of the kitchen equipment, plus other donations. His interest in the growth and development of the school greatly helped in its future success.

The plaque to be mounted on SMC's new administration building reads: "Named for Kenneth A. Wright whose presidency of the College from 1943 to 1955 was marked by a dedication to Christian education; by the achievement of faculty and academic excellence; and by attainment of senior status with full accreditation for the college."

Many of the major buildings on the upper level of the campus were built during Elder Wright's term at SMC. Through an expansion of a remarkable work-study plan under his leadership, SMC lifted itself from rather modest circumstances to a multi-million dollar institution that could serve as a valuable example to scores of private colleges struggling to survive.

When Elder Wright became president of Southern Junior College (as it was known then) there were only 120 college students, three frame buildings on the hill, and one Ph.D. For twelve years Elder Wright labored for this school. During this time it became a senior college and secured accreditation on the first request.

Present for the occasion were three of the Wright's children: Mrs. June Frame, '44, of San Juan, Puerto Rico—where her husband is a corporation attorney; Elder Walter Wright, '54, of Loma Linda, Calif., Bible teacher at Loma Linda Academy; Kenneth Wright of Glendale, Calif., now a law student. Unable to be present was Elder Burton Wright, '51, missionary at Malamulo, Malawi, Africa.
