SOUTHERN
ADVENTIST UNIVERSITY

Power for Mind & Soul

P R E S I D E N T ' S M E S S A G E T O G R A D U A T E S

Dear Graduates,

“Unprecedented.” That is the word I keep hearing repeated as people try to express the times in which we are living. As graduates of Southern Adventist University, you are facing unprecedented challenges: COVID-19, job scarcity, societal unrest, political turmoil, very angry people with very strong opinions about divisive issues. From one point of view, it may seem that there is no place to hide from the anger, rage, self-centeredness, and similar traits that increasingly characterize social media posts and news reports.

The good news is that you have an amazing God to support you as you face unprecedented times and challenges. Just as God has helped you succeed here at Southern Adventist University, He will help you succeed in your future. No matter how dark or challenging that future might seem, remember to turn to Him. Trust Him to do for you what you cannot do for yourself. Trust the light of His love to triumph in your life and in your world, even as the darkness of evil seems to lurk everywhere.

Congratulations on your achievements here at our university. We are proud of you and wish you the very best. And we are glad that belatedly we can celebrate your graduation at a formal campus program. Our prayer is that the God who promised, “I will never leave you nor forsake you” will be with you as you leave our campus and launch into the next phase of your life. As Scripture reminds us, with Him, all things are possible.

Blessings,

A handwritten signature in black ink that reads "David Smith". The script is fluid and cursive, with a large, prominent initial "D".

David Smith
President

THE MACE

The mace is a traditional symbol used to communicate and designate authority. The Southern Adventist University mace was crafted in 1986 by John Durichek, a Southern alum. Southern's mace represents its heritage and *raison d'être* (reason for existence). The base is of pine from Jones Hall, built in 1917 and razed in 1985. The main staff is of walnut. The seven rings represent completeness. The four-sided ebony segment is seen as Southern's underlying educational philosophy—balanced mental, spiritual, physical, and social development for each student. The brass flames represent the Holy Spirit.

Bearing the mace is the grand marshal, Matt Tolbert, chair of the University Senate and associate professor in the School of Education and Psychology. His regalia is evergreen, the university's traditional color.
