June, 1988

Dear Fellow Alumni,

The purpose of this letter is to discuss two important items of Alumni business.

The first important item is our Alumni project. You may remember that we had designated two projects for 1988. One being the painting of the cafeteria and the other being the roofing of the church. We had an offer from an alumni to match any funds given for these projects. The cafeteria is being painted and matches the new building very well. Before work can begin on the church, we will need more money. So I appeal to you to send your contribution for this project.

The second item is the upcoming Alumni Homecoming Weekend. This has been scheduled for October 21-23. The honor classes for 1988 are 1943, 1947, 1953, 1957, 1963, 1973, 1977, 1983. As always, it will be a great time to come back to Tennessee and enjoy seeing old friends. I would encourage honor class members to contact the other members of their class and encourage them to come. For those of you who aren't members of an honor class, you are also encouraged to attend.

If you would like addresses for those in your class or for any person for that matter, feel free to contact Rogene by mail or at 615-690-6080 and she will be happy to mail addresses to you.

Please keep these items in your thoughts and we will look forward to seeing many of you in October.

Sincerely,

*Donald Chase*

We have a few things that were overlooked as we hurried to get the newsletter finished. We are sorry. However we are thankful that we have the room on the back of Donald's letter to mention these items.

#### REPORT ON HANDBELL TOUR--Sarah Ann McNeilus

The Handbell Choir made an overseas tour April 11-19. They were invited by Dr. and Mrs. Reinhard Wunderlich to visit West Berlin. Dr. Wunderlich is on the staff of the S.D.A. Walfriede Krankenhaus (Hospital). The Adventist church members housed and fed us and the Wunderlichs planned our sightseeing and concerts. We were privileged to spend a day in East Berlin also, giving a concert in the Koepenich S.D.A. Church. We also traveled (by bus) to Szczecin, Poland for 2 days. The Adventist Church there provided for our stay. Since their church is only 1 small room, they arranged for us to give concerts in 2 Catholic churches, and in a beautiful concert hall in the Castle of the Pomeranian Dukes. Our visit there was coordinated and conducted by Ryszard Warzecha, our tour guide from the 1979 tour to Poland. In addition to the Ringers, and the Director, there were 8 other participants. Dr. and Mrs. John Shaw (Dr. Shaw serving as our Tour Director), Virginia Gustin, Tonya Wessman, Leonard Smith and Kim Goodge. We gave 7 concerts in all, feeling we had been a joy and blessing to all who heard us, and we were most grateful for this wonderful opportunity.
