March, 1989

Dear Alumni and Friends,

I recently returned home from attending the annual American History program. It was a marvelous success. I don't think the students will ever let that on-going tradition become just a memory. It has really become part of the Little Creek heritage.

In the last newsletter, I had mentioned that Debbie (Straw '77) Tait had tentatively agreed to be Vice-President. After further discussions with her and with members of the nominating committee, she decided not to take the position due to other responsibilities to which she is already committed. Another candidate, Bruce Myers '84, was contacted and has willingly accepted the position. I feel confident that he will do a marvelous job as Vice-President this year and as President for the upcoming year.

Don't forget to support our fund raising efforts for the much needed computers and software for the computer lab. So far only \$200 has been received. You may be receiving a phone call from one of the officers in the near future about supporting this project. Please help us raise the remaining funds so the computers can be in place this summer.

The next newsletter will include with it a current list of the alumni and their addresses. Also, information about our next alumni weekend will be included. If any of you wish to participate in the weekend's activities, or just have an idea for activities, please give me a call at (919) 490-5769.

Sincerely yours,

Keith Shaw

Keith Shaw '82
Alumni Association President

P.S. If you have a new address, but sure and send it to Rogene right away so the new listing can be as accurate as possible.
