Dear Alumni of Little Creek Academy,

You are well aware of by now, Little Creek Academy has changed greatly since your meeting last year on this campus. The dorms are silent, as well as the classrooms, and other buildings on campus. To some people this is the greatest tragedy that could ever happen to Little Creek. But to others, they look at it as if another chapter in Little Creek's history has begun. I hope that all of us stay brothers in Christ and not let our individual views get in the way of God's ability to influence our youth. God is in control of Little Creek and Heritage Academy. We should allow Him to guide us and not let ourselves be a stumbling block to those around us.

My current position at Heritage Academy is Student Association President. But I also consider myself Student Association President of Little Creek Academy, since I was elected to this position last year while at Little Creek. In all realities, Heritage Academy is really not a new and separate school. It still contains the staff, students, and principles of Little Creek. I feel that Little Creek is the Mother of Heritage Academy. Parents are responsible for their children. So I feel that Little Creek's Alumni Association has a tremendous opportunity to help guide this new school. This is God's school and not any individual's school. I feel we are both a part of each other and on behalf of the students, I would like to invite you to continue being a part of Little Creek and Heritage Academy by combining both Alumni Associations together. Currently Heritage Academy has decided not to elect any Alumni officers, and I hope the current officers of the Little Creek Alumni Association would be interested in helping setup a combined Alumni Association. The Spirit of Little Creek lives strong among the staff and students of Heritage Academy. Please give this matter earnest consideration. I thank you for your time and hope you have a great Alumni Homecoming at Little Creek this year. I ask that you please keep Heritage Academy in your prayers.

Sincerely,

Jonathan Vigh  
Student Association President
