# A Letter from our Alumni President

Dear Alumni,

Greetings to all! It is hard to believe that summer is gone and school has started. I hope that everyone had a safe and great time.

First of all, I would like to thank you for letting me serve as your alumni president for the past two years. I feel that there has been a great deal of support from the alumni and I just want to thank you for all the help and support you all have given me. I know that Becky Cote will do a great job taking over the president's position. I hope that each of you give her the support that you have shown me. Please continue to support these alumni weekends, this is our school, "Little Creek".

Alumni weekend is just a few weeks away (October 22 & 23). We are planning on having a great time together. If you need a place to stay, let Ann or me know if you would like a room in the dorm. Also if you do stay in a motel in the Knoxville area, it shouldn't be a problem this year because there isn't a football game in town that weekend. Bill Cote '89 and his class will have Sabbath School, Leland Straw the lesson study, and Denzil McNeillus '79 will speak for church. I look forward to seeing each of you here!

May God bless each of you.

Bruce Myers, Alumni President

We received a thank you note from The Layman Foundation, for the \$500.00 donation that our alumni association gave them to buy linens. Bennie Roesel writes that because of our gift, they have sheets, blankets, towels, wash cloths, pillows and cases. The beds will be made for you when you arrive for homecoming. She thought you would be interested to know that the conference center (the dorms and cafeteria) is being used more and more.

DEATHS

**JOHN GREEN** passed away June 17, 1999 after a fall from a 2nd story porch at his home. John's father, Calvin Green, sent his three boys to L.C. when there was not much. John completed grade school and was quite serious and a student of the Bible. In 94 we needed a ditch for our irrigation line from the pump house to the garden area on the hill. Knowing that it was very rocky, I asked John if he could do that? He said that he knew every inch of that place, because they used to hide from Bessie Baker at recess time. He was a good, honest, hard working citizen, husband, father and grandfather. He brought his grandson to work with him, because he felt that boys should learn to be useful. He will be missed in this community. By Leland Straw.

**Doreen Reins Schlehuber '74** passed away July 15, 1999. She lost a courageous 4 year battle with cancer. She leaves her parents Dr. & Mrs. Don Reins, her husband, Dane, a son and daughter-in-law Mathieu and Shannon Williams, 2 daughters, Danielle Williams and Katelyn Schlehuber, and a grandson, Gavin Williams.

**DALE SHIGLEY '59** passed away at his home in Rapid City,SD, on March 19, 1999 at age 59. His childhood was spent in China, India, and Taiwan. He returned to the U.S. and attended L.C.A. all four years, and then to P.U.C. and received a degree in nursing and later a Master's degree in biology. August 23, 1964 he married Barbara Hover, and they returned to China where he taught at the South China Union College in Hong Kong for six years. After returning from China, he attended the University of Wisconsin and received a Master's degree in the History of Science. In 1994 they moved to Rapid City where he was employed at Rapid City Regional West, the Care Center and Nurse Finders. Gordon was interested in music and was an organist. He will be remembered for his dynamic personality, his love for helping people and his deep desire for people to overcome their differences and be able to worship together. He is survived by his wife Barbara, two daughter, Sile M. Shigley, and Candace D. Mahoney, brother Roy Shigley, and grandchildren Molly and Kacey Mahoney.
