A LETTER FROM OUR ALUMNI PRESIDENT

Dear Fellow Alumni,

GREETINGS! Hope that all is well with you wherever you are.

Here in East Tennessee we are enjoying another beautiful spring. The dogwoods have put on a display as usual. We did have some unexpected spring snow flurries thrown in. It adds to the excitement of the seasons. And speaking of seasons, it will soon be fall and time for alumni weekend October 6 - 8 this year. We hope that this date will work for many of you. The honor classes

are the years ending in "5" and "0", and of course everyone is welcome. DR. MARK

MCKINNEY '80 will have the Sabbath sermon, and Julie Winkle '90 and the class of '90 will be having Sabbath School. If you have an interest to volunteer to help in a certain area please let me know. My email address is: rebekahc@netzero.net. My home address is: 379 Buckingham Road, Gray, TN 37615. (This is a new home address.)

Thanks to Joylynn Michals for continuing what J.T. started, we are building our LCA Alumni email list. If you will send her your email address and the year that you graduated from LCA she will put you on the list. If you have information (wedding announcement, birth of child, ect.) you can email this to Joylynn and she will send it out to the LCA Alumni. This system is already working quite nicely. Thank you Joylynn for continuing this email service for the Alumni.

This morning I read a thought that goes along with spring. "God is love is written upon every opening bud, upon every spire of springing grass." Steps to Christ p. 10. There is a lot of God's love out there this spring. As you look at all the "new life" this spring, remember this "one good thought for the day" (Thanks Mrs. Straw for encouraging up to have a positive thought for each day!)

See you in the fall October 6 & 7 for Alumni Weekend! Until then, God bless you.

Many of you have memories of the tree house! Our insurance company required us to demolish it, so many memories are gone. It became a haven to the neighborhood boys from the surrounding subdivisions.

A new vegetarian cookbook, "SIMPLY SCRUMPTIOUS" is now available. This book was put together by Elizabeth Heidinger and Gerry Lohrke and was published by Albert Heidinger '79. It contains 176 pages and approximately 380 recipes. It can be purchased online at www.booksyouwant.com or by writing to Global Concepts Publishing, P.O. Box 75300, Cincinnati, OH 45275. The cost is \$14.95.

DAVID BLANKENHORN '64 passed away January 10, 2000 after a battle with cancer (mesothelioma), I hope that is correct, it was a rare type anyway. He is survived by his wife Donelda and two children.

Bernie Arthur Sheffield age 90 of Leesburg, FL passed away February 26, 2000. He was the founder of Groveland Academy and is survived by his wife Amy Manous Sheffield and children Bill, Frank'62, Elaine '51, Carol '61, Alice '58 and Bernita '56.

ARLENE (WILLIAMS) WARD '64 passed away March 26, 2000. She had been in a nursing home in Oak Ridge, and her pastor was with her when she died. She is survived by her Mother, Goldie Williams Mitchell, her sister Kay '69 and brother Bob '59. There was a lovely service at the Knoxville First Church Youth Chaped on March 29, 2000.

NEWS OF INTEREST

I have caught up with JIM DAVENPORT '78, thanks to Sidney Whiting and J.T., and find that he is working at the General Conference, writing a new software program for them. Since computers are not my area, I'm sure I left out some important information.

The February Southern Tidings cover, pictures Mark and Mary Jane Thomas and another couple who have been a part of the pilot church planting in Monroe, North Carolina. Mark attended School here at Little Creek 1987 and 88. I enjoyed talking to Mark at the ASI convention last August in Orlando.

CARLA GOBER '77 was featured on the January/February cover of Women of Spirit. A popular retreat speaker, in her article, Carla talks candidly about women - their strengths and struggles and some of her own.

DAVID HAMILTON '84 has recently resigned from THE DAILY CITIZEN where he was the asst. managing editor of the newsroom. to publish his first edition of a magazine intitled "FISH". It's purpose is to provide the Christian Community of Chattanooga with a comprehensive and easily accessible place to find information about events, activities and programs that appeal to them. It is distributed free in Chattanooga, at area churches, bookstores and any place wanting to offer tabloid-style news magazines. There is a tremendous need for a publication that profiles events, concerts, activities and programs that young Christian families might want to attend. It will be a non-denominational magazine that does not necessarily include strictly religious activities. The Chattanooga Nature Center, for example, often sponsors hikes with naturalists who take groups on walks. PS I have seen the first issue and it features Southern Adventist University's annual program at Easter time "Walking with Christ on his last hours on earth. A.G.

CARLYLE MANOUS '57 plans to retire from Walla Walla College after 35 years of teaching. His "53 Studies in Rhythm" was recently published by THE R.M. WILLIAMS COMPANY, and THE HORN CALL, Journal of the International Horn Society published his article on mouthpiece pressure.

CHERIE' MICHALS '81 went to Mongolia in January to teach English in a language school in the capital city. This door opened to her after talking to DALE TUNNELL '81. who has been there in the work in Mongolia.

GRADUATIONS

STEPHEN BRALLEY '93 from Tennessee Technical University with a B.S. in Education in May, 1999. He is presently teaching at Enterprise Academy and is the assistant boys dean.

HEIDI (STRAW) HAYES Northwestern University School of Law, May 14, 2000, Chicago, IL.
