Open Education Resources Stipend

McKee Library proudly supports the use of open educational resources (OER) in higher learning. To encourage the adoption of OER on campus, the library is offering a \$250 stipend per year for two Southern Adventist University professors willing to transition one of their courses from utilizing traditional textbook resources to OER.

Applications are due online by May 15, 2024. Please contact Deyse Bravo with questions regarding the stipend or the use of OER.
