A LETTER FROM OUR ALUMNI PRESIDENT

Greetings Alumni,

It is a lovely day as I am writing this. Spring is in the air. Even mowed the lawn today. Heard this evening that we might have snow this week! That might put all my daffodils in shock for a couple of days. But although the weather is a very changing thing there are some things that don't change.

The fact that we are LCA Alumni doesn't change. We can be grateful for the work, study, and friends that we have made. And speaking of friends, it will soon be October and Alumni weekend again. Be sure to mark your calendars now for

OCTOBER 19 & 20, 2001. The honor classes are those years that end in 1 or 6.

God's word doesn't change. There was an interesting fact in our church bulletin this week. The middle verse in the whole Bible is Psalm 118:8. It says, "It is better to trust in the LORD than to put confidence in man." (NKJV) Have a great day and God bless.

New Sign

There is a new sign at the entrance to Little Creek Sanitarium, thanks to John Robertson. It rests on the existing stone pillar, and where the old sign was, a lovely waterfall has been created. Along with landscaping, it has become an attraction to people who drive by, and it has given us some needed PR in the area. We have also planted new trees around the entrance.

NEWCOMERS

Zachary Jonathan 7lbs. 9oz. born November 12, 2000 to Jonathan & KRISTA (Olson)'88 Dale

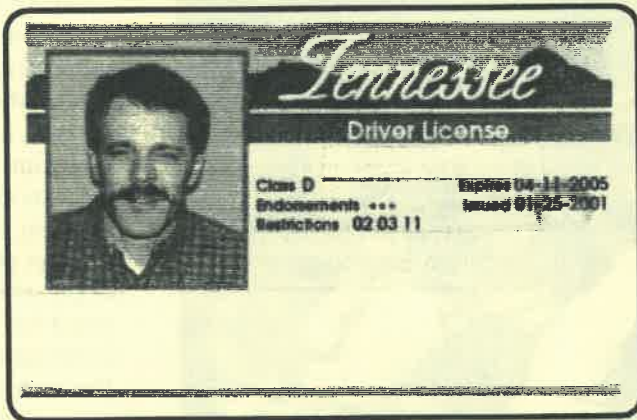

NEWS NOTES: DENNIS CARLSON '64, Minnesota Conference president, was recently appointed assistant to the North American Division president for administration.

ASI Magazine, Winter 2001 features a story about VERN ERICKSON '62: Vern and Sharon have used their time in marketplace ministry since 1985 when they returned to Vern's home town of Park Rapids, Minnesota. Vern, an internist and owner of Erickson Medical Clinic, never passed up a question about religion or health, and never hesitates to invite someone to the healthful living seminars that he and Sharon host. The personal interest that he takes in the spiritual lives of his patients often pays off. Vern was having trouble getting Physical Therapy for his patients so Sharon opened a P.T. Center in 1993 and approximately three years later, she opened the workout equipment to the community and started the only fitness center in Park Rapids. Through the years Vern and Sharon have given Bible studies to many of the patients, and some have been baptized as a result. Their priorities are God and family, and along the way have managed, with the Lord's help, to build three thriving businesses which do much more than make money.

UPDATE ON MICHAEL

Thanks for giving me the opportunity of sharing this story with so many lives. The mobility goal you guys set out to achieve for me has been real-

ized and I am on a more rapid roll for Jesus in preparation for that vertical journey we all look forward to taking place. I can't wait to see Jesus and all of heaven puttin' on the Ritz for the redeemed....soon! love you all!

Synnova Naomi Hill and BRENT GOODGE'91 were married Dec. 27, at Calhoun SDA Church, Calhoun, Ga. The bride is the daughter of Lewis and Lauretta Hill, Calhoun Ga. The groom is the son of Burton'59 and Carol Goodge, Knoxville, Tn. The couple honeymooned in Williamsburg, Va. They are now at home in Chattanooga, Tn. He is a graduate of SAU and Loma Linda University Medical School and is employed by the University of Tennessee College of Medicine.

Mrs. Winnie Peek fell at home on March 16, 2001 and fractured her hip. Many of you will want to send a card or talk to her. The address is 590 Fieldwood Lane, Monterey, TN 38574 and telephone number is 931-839-3725.

We are happy to report that after a very serious bout with colon cancer (including 2 surgeries and a permanent colostomy) KAREN HINER HOLLAND '81 is able to return to limited activity as Principal of Oklahoma Academy.

Little Creek Campus recently enjoyed a visit from JOHN '82 and Pamela DYSINGER and their 3 children. They live in Williamsport, TN and are happily involved in home schooling the children, operating a small organic farm, growing strawberries and beekeeping. We all received beautiful beeswax candles they had made.
