A LETTER FROM OUR ALUMNI PRESIDENT

Dear Fellow Alumni:

This year's Alumni Weekend was a big success! Great speakers, awesome music and a full house! My personal mahalo to all the people who made this weekend memorable. Now it's already time to start thinking ahead to next year's Homecoming Weekend. Using *The Kiplinger Letter* format, following are some of my random thoughts.

Future Weekend Dates: Considering the Vol's home game schedules, as well as Southern's Alumni Weekend dates, we've set our Alumni Weekend dates for the next two years. They are **October 17 & 18, 2003**, and **October 15 & 16, 2004**. No excuses for not knowing far enough in advance!

Featured Speaker for Church: Thanks to Rick Greve, '78, who has agreed to give the sermon for church.

Alumni Project: As mentioned in earlier newsletters, the Alumni Association is raising funds to provide a cosmetic "face lift" to the LCA Chapel. Things like reupholstering the chairs, replacing cracked windows, installing new aisle carpet, etc. will be done, as soon as the necessary funds are raised. Thanks to the generosity of those who sent in donations, along with those who donated or pledged during the weekend, we only need an additional \$6,610 to reach our \$25,000 goal (assuming all the pledges are received). If you'd like to see this work completed before next year's weekend, send Ann your tax-deductible donation today!

Alumni Dues: Even though I did not specifically address this at the end of vespers, annual dues of \$25 per alumnus are still needed to keep our Alumni Association financially healthy. Those of you who have not paid for this year, please send your payments to Ann. As a reminder, these funds go towards paying for the expenses associated with the alumni weekend – expenses that will be going up as we implement *Project Whittington* (see below).

Project Whittington: Those who have been to LCA in recent years have seen that our former fields have been transformed into an upscale residential community called Whittington Creek (see www.whittingtoncreek.com for more details). Thanks to the brainstorming of several alumni, next alumni weekend will have a new activity added to the afternoon's schedule. While you'll have to wait until the next newsletter for specifics, here's hint - this activity will involve cultivating "our fields" in a new and exciting way. Stay tuned!

Merry Christmas &

Happy New Year: On behalf of the Alumni Association officers, I want to wish each of you a joyous Christmas season and a blessed New Year! I can't wait to see what God has in store for us this next year!

From the Straws

As I review in my mind the last Homecoming, I must say how much I appreciated the many who come, and all that was done to make it a memorable occasion. Alice, especially, wished that I would let you know how much it meant to her for so many to stop and speak to her.

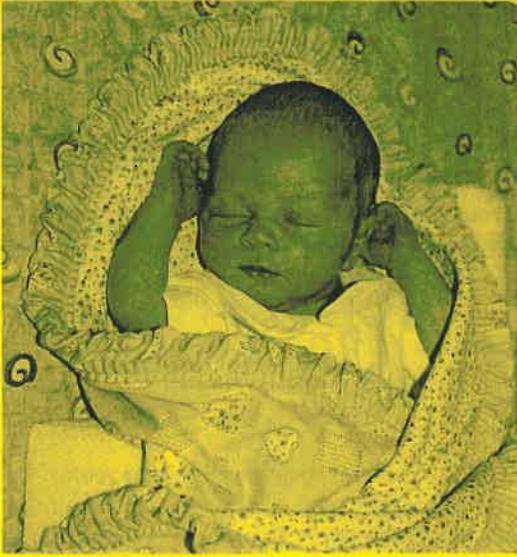

It means much to those of us who are still here that so many take the time, expense and trouble to attend and support such occasions. I like to think that at least, in part, it is a tribute to an attempt to follow a program that I believe represented God's plan of education. I would never suggest that Little Creek was a perfect example, for I very well know how often we failed. I can truthfully say we tried. I cannot express in words my appreciation for the loyal students, and parents who supported our efforts over the years.

This is a sincere "thank you" for a very special time. We look forward to another year.
