A Letter from our Alumni President

Dear Alumni and Friends,

Once again the fall days of October found a group of alumni back on the beautifully maintained grounds of Little Creek to remember, reconnect, and reassess the past while sharing the reality present. The sharing included beautiful music, great food, wonderful weather, new opportunities friendship and reliving the memories of our youth.. Truly, if you were not there, you were missing memories and the pictures made were not complete without you.

During the worship service, reality came close as the unexpected death of Roger Silvertein '71 was announced and special prayer was offered for the family members -which includes alumni David Judy, Roger's brother and sister. At such times, we are all reminded of the uncertainty of life and need to make contact with family and friends today rather than waiting for a more convenient time tomorrow.

As alumni return for Homecoming each year, we are now faced with another reality—that our alma mater is no longer an active school campus. With that in mind, it was suggested that the Sabbath offering be sent to help Bass Memorial Academy with rebuilding of their campus following severe damage by Hurricane Katrina. A total of \$600 was collected from those present. The principal of Bass asked me to extend his gratitude for our alumni support.

I am so pleased that my brother Michael Sutherland '66 has consented to be our Speaker for Church Service next year. Homecoming will be October 13 & 14, 2006

While students at Little Creek, all of us learned valuable work skills that we have used throughout

years. We learned much as we helped to build up our school. Bass Academy can use our help now. It has been suggested that alumni might enjoy joining together--like in the 'good ole days' actively 'do' something as a group. Maranatha Volunteers International will be coordinating a project in 2006 sometime, but no details are available yet. The principal of Bass indicates that use plenty of help now (roofing) and in the future. If you would be interested in taking part in alumni project, please contact me by phone (870-496-2557) or email (narroway@alltel.net).

One of the main goals of Little Creek's training was to teach us to be of service wherever we are in life. If we live this out in our lives, we will be keeping Little Creek alive as well. May God bless and all !

A Note From Ann

Hello Alumni, It was great to see so many of you in October. I hope more of you will decide to news letter by email. Most of the pictures were taken by Mark McKinney and some by Sarah A thanks to you. May God bless each of you this Holiday Season.

Ann

A letter from the Straws

I take this opportunity to express my appreciation for the continual support of the Annual Home Coming. I do appreciate the many letters and cards we receive from alumni and friends, and admit I have a feeling of regret, almost guilt, in not being able to send a personal reply. The volume is too great. However, I see the events taking place that correspond to Jesus' description of the world condition before His triumphant return. I look forward to a Grand Home Coming in the not too distant future. My prayer is that it will include everyone, student and parent, who in any way was associated with Little Creek over the years. I promise we will be looking for you.
